WORLD WIDE NEW TESTAMENT BAPTIST MISSION P.O. BOX 725 KINGS MOUNTAIN, NC 28086

I am delighted to announce that Brother Abraham Ram Lian Uk of Myanmar is now officially a missionary with World Wide New Testament Baptist Mission. He is one of four brothers that are involved in training a future generation and planting New Testament Baptist churches across the one-hundred and thirty-five ethnic groups in Myanmar (Burma).

Judson took the gospel to this part of the world some one-hundred and ninety-five years ago. Abraham is one of the faithful servants that is carrying on the work started so many years ago. It is my sincere desire to raise support for this work. Please pray with me concerning this need. The photo above is of Brother Abraham inside the church that he has planted in Yangon.

We attended the annual Candidate School of World Wide New Testament Baptist Mission last month. The Lord has blessed us with another wonderful group of missionaries. We covet your prayers for these families as they embark on deputation. The Lord is so good to watch over these folks as they travel thousands of miles going from one church to another. A number of our board members

joined us for the school. Pastor Ed Parton and the Freedom Baptist Church in Pigeon Forge, Tennessee, were so kind to host the meeting for the mission.

If you have been listening to the news in recent days you know that there is a lot of turmoil going on in China during these days. Missionaries will find it increasingly difficult, at least until the games are over. Let's pray for the national pastors and missionaries during these difficult times.

Darleen and I want to thank you again for standing by us for another month. We are so blessed to labor together with folks like you. On a personal note, the Lord blessed us with grandchild number twelve in March. Jana Leigh Whetstone was born to our son and daughter-in-law. Daynna, our daughter, plans to give us our thirteenth in October. Pray that she will have a safe delivery.

Many missionaries are experiencing difficult times as a result of the devaluation of the U.S. Dollar. Please pray that the Lord will sustain their families and ministries during these uncertain times.
