May 2008

WORLD WIDE NEW TESTAMENT BAPTIST MISSION P.O. BOX 725 KINGS MOUNTAIN, NC 28086

A few days ago, I received a call from Brother Feghaly. He is working on plans to have a pastor's conference in the Middle East sometime in May of 2009. I pray that we will have a number of pastors from the States

that will be interested in making this trip to meet men from the Middle East that are serving the Lord. As soon as we have some details, I will pass them on. In the

meantime, please pray that the Lord will allow the plans to be made, and ask the Lord if perhaps you should be a part of this conference.

We are now working with men in Jordan, Iraq, Lebanon and Egypt. We praise the Lord for these faithful servants of Christ. Pray that the Lord will protect them, and that He will add to their numbers through the salvation of souls. When the final count is given in heaven, I believe that we will be amazed at the results of missionary activity in this part of the world.

In April, we were in conferences in Arizona, North Carolina, Florida and Virginia. Thank you for praying for our safety and the

blessings of the Lord. We never ceased to be amazed at the watch-care of our great God.

We had the joy of preaching the missions conference at Heaven's View Baptist Church in Arizona City, Arizona, again this year. Pastor Darrell Roe has been in Arizona City for more

than two years now and the Lord has blessed his ministry there. The Lord allowed them to purchase some land recently, and they hope to build in the next couple of years. I

know that they would be blessed if you would remember to pray for them. Pastor Roe is out of Morristown Baptist Tabernacle in Morristown, Tennessee, where Brother Ralph Benfield is pastor.

Darleen and I want to thank you for standing with us again for another month. Many of you have supported our ministry for more than twenty years now, and we are so grateful for your kindness. Continue to pray that the Lord will give us clear direction in His will. We hunger for His blessings in the conferences as we travel around the world. We pray that He will bless your labor of love as you serve Him in your part of the world.
