October 2008

WORLD WIDE NEW TESTAMENT BAPTIST MISSION P.O. BOX 725 KINGS MOUNTAIN, NC 28086

In our last prayer letter I mentioned that we were in Montana and Colorado in July. In August we traveled in Alaska. It was a blessing to visit missionaries and pastors that we had longed to see. Some of them we have known for years, and others we met for the first time.

We were blessed to spend a few days with Ernie and Nancy Wyrick. They are serving the Lord in Delta

Junction, Alaska. They have a burden to reach the Russians that live in the area. It was a joy to see their dedication in the service of our Lord. They have a great desire to see these folks saved. Please pray that they will see fruit for their labor.

It was a blessing also to visit Bible Baptist Church in Fairbanks. I had an opportunity to preach in Pastor Doug Duffett's pulpit, and it was wonderful to be in this great church. If you are ever visiting in Fairbanks I would encourage you to visit Bible Baptist Church. We also had a little time to visit with Missionary Earl Malpass after church on Sunday night. We had not seen this family in many years. Missionary Les Zerbe met us at a coffee shop for a visit, and was also in the church services at Bible Baptist.

Monday morning on our way out of town we met Pastor Hamilton of Hamilton Acres Baptist Church. It was a blessing to spend some time with this faithful pastor. He has had some serious health problems, but is gaining his strength back. I am certain that he would appreciate you praying for him.

Plans are pretty much made for our trip to Myanmar in December. Pray with us especially concerning the two conferences that are planned with pastors. Darleen

will be teaching ladies in one of the conferences, and the ladies in the college. Pray for her as she prepares.

Note some changes in the conference in Lebanon. Now the dates are May 14-25, 2008. We will go to Lebanon and Syria, and the cost will be roughly \$2200. Plans are still being worked on, but I wanted to get the information out as early as possible so that everyone could plan ahead. Please pray about visiting these wonderful believers, as well as seeing this very interesting part of the world. As things develop I will attempt to pass the information along to you. Pray for Brother Feghaly as he works on this project in the coming weeks.
