

December 2008

2008 has been a wonderful and busy year for us. In spite of the uncertainties in this ever changing world that we live in, the Lord has blessed with many very good missions conferences. It has been amazing to see churches maintain, and exceed their faith promise commitments this year.

In the summer we visited several churches out West. This was primarily to introduce new churches to the missionaries of World Wide New Testament Baptist Mission. As a result, we had the opportunity to preach a missions conference last month in Colorado. To take this further, we plan to visit California for three months in 2009. We want World Wide missionaries to have every opportunity to get into good missions hearted churches all across America.

We also had the joy of visiting missionaries and churches in Alaska this year. It was a blessing to spend some time with the Wyricks in Delta Junction. We also spent some time with Bible Baptist Church in Fairbanks as well as some other missionaries in the area.

By the time you receive this letter Darleen and I will be in Myanmar (Burma), the Lord willing. Please pray that the Lord will bless in the pastors conferences and Bible college meetings during our visit to the land of Judson. The effects of his ministry can still be seen today. Let's pray that the Lord will raise up many more to reach the needy of the world.

We had planned to be in the Middle East in May 2009. I have mentioned this conference a couple of times previously. Please note that this conference has been cancelled. We hope that we will have the opportunity to have this meeting sometime in the future.

Darleen and I want to thank you for standing by us all of these years. Some of you have supported us for more than twenty-three years now, and we are so grateful for your kindness shown to us. We constantly feel that you are praying for us. Many of you remind us through the year that you do pray for us regularly. You are an important part of our ministry. The Lord has been so good to keep us safe as we travel. Please continue to pray that the Lord will use us effectively in the days to come. We want to do His will all of our lives, and serve Him as long as He is willing to use us.

As we approach a brand new year let's commit ourselves completely to the service of our Lord. There is so much to do, and the doors of opportunity have never been opened wider than they are today. Let's give to Him our very best.

In His Service,

Danny A. Whetstone

"Call unto me, and I will answer thee, and shew thee great and mighty things..." Jer.33:3
