### WORLD WIDE NEW TESTAMENT BAPTIST MISSION P.O. BOX 725 KINGS MOUNTAIN, NC 28086

Since returning from India we have been in several states in conferences. Thank you for you continued prayer support as we travel. We are hearing of churches cutting back on missions support; however, we have not witnessed the need in the vast majority of the churches we have visited. Let's pray together that in these difficult times we will give a clear testimony of our faith in God. This is fertile ground for the Lord to do great things in the midst of His people.

Darleen and I will be in California most of the summer. It is our desire to introduce churches in the West to World Wide New Testament Baptist Mission. It is difficult for missionaries serving through this ministry when pastors do not recognize the name. We will be providing a packet of information of printed materials which will include a DVD presentation of the ministry. We are not scheduling meetings so that we can have the time to visit pastors every day in various parts of California. Please pray that the Lord will bless the effort. Not only do we want to open new doors for raising support, but also make pastors aware in the event missionaries in the churches are looking for a missions agency. We will be traveling many miles in this effort, and we are depending on your prayers on our behalf.

Praise the Lord for a kind church that is providing us with an apartment during our stay.

We will return to North Carolina in June for the annual Family Fellowship Week for World Wide New Testament Baptist Mission. This year Pastor Fred Daniel in Greensboro, North Carolina will be hosting the meeting. Missionaries with World Wide that are on deputation and furlough, along with the board members and staff will be meeting for some good days of fellowship and encouragement. Pray with us that the Lord will bless this meeting with His manifested presence. It is an honor to serve with this missions family.

I would like to encourage you to visit the mission on the web at [www.wwntbm.com](http://www.wwntbm.com). You will find information on the fields, the missions family, and the mission itself.

We are so grateful for your continued financial support of our ministry. Especially in these ever tightening days we appreciate your faithfulness to us. If we can ever be of assistance to you, please do not hesitate to contact me.

May our Lord bless you with a wonderful month of service for His name's sake.
