

DANNY AND DARLEEN WHETSTONE

July 2009

WORLD WIDE NEW TESTAMENT BAPTIST MISSION P.O. BOX 725 KINGS MOUNTAIN, NC 28086

We mentioned in our last letter to you that we were visiting pastors in California. Praise the Lord for all of the assistance we received for this project. Dr. Jack Trieber of North Valley Baptist Church in Santa Clara, California, was a blessing in so many ways during our stay in California. There were several pastors that were a real encouragement to us as we traveled around the state.

California is such a beautiful place, and we were blessed to find so many wonderful churches serving our Lord faithfully.

We are thankful to so many of you that have prayed for us. The Lord has kept us safe through many many miles of travel.

We did make the trip back home in June for the Family Fellowship Week of World Wide New Testament Baptist Mission. What a wonderful time we had visiting with the missions family. I don't ever remember hearing better preaching anywhere.

Pastor Fred Daniel and the Brookhaven Baptist Church did a wonderful job hosting the meeting this year. It is no small undertaking to invite a hundred and fifty of your closest friends to spend four days with you! Pastor Daniel and the folks of Brookhaven could not have done a better job of taking care of us.

Dr. John O'Malley and the World Wide staff did an excellent job planning and preparing for the week. "Contending For The Faith" was the theme for the

conference. The fundamentals of the faith that we hold dear were covered in the sessions. It was a wonderful reminder and challenge for each of us.

Darleen and I are working our way back East now. The Lord willing we will arrive back in Kings Mountain around the middle of August. We want to thank you again for standing with us for another month. We count it a great blessing to labor together with you.

Please begin praying with us already about a conference in Myanmar (Burma) in December of this year. Plans are already being made for this meeting, and I will keep you posted on the progress.
