March 2008

**WORLD WIDE NEW TESTAMENT BAPTIST MISSION
P.O. BOX 725
KINGS MOUNTAIN, NC 28086**

Last year the Lord blessed with many wonderful missions conferences, and 2010 is off to a very good start as well. It is a blessing to see the Lord at work in challenging His people to get the Gospel of Christ to regions beyond. Already this year we have been pleased to be in meetings in North Carolina, South Carolina, Florida and Georgia. It is imperative that we

now pray that the Lord will use those that have committed themselves to give. That they would be faithful for the entire year. Missionaries around the world are counting on us.

2009 ministry ended with another trip to Myanmar (Burma). Brother John O'Malley, Pastor Larry Groves and Missionary Steve Zeinner made the trip with me this year, and it was a blessing to have them laboring with us in this endeavor. Our primary purpose was to have a pastor/deacon conference in Kalay. Each of us spoke an hour and a half each day, and then one of us preached in the evening services. We had sessions on the church, I Corinthians, the pastoral epistles and the Bible. The men expressed their gratefulness for the conference to each of us.

Pastor Ed Parton and the Freedom Baptist Church in Pigeon Forge, Tennessee, gave an offering last year to finish a building to be used to train these servants of Christ. We started with a dedication service. I had the joy of offering the dedication prayer, cutting the ribbon and opening the doors for the first service. Pastor Groves preached the first night in the dedication service.

It was a blessing to see the good job that these men did in the construction of the building. Please pray for these men as they serve the Lord in their homeland.

Abraham Ram Lian Uk is a missionary with World Wide laboring among his own people in Myanmar. Please pray for him that the Lord would raise up support for his family and ministry.

Darleen and I are continually grateful for your faithfulness in giving and praying for us. We have a very busy schedule for 2010, and we covet your earnest prayers on our behalf that the Lord would use us and give us safety as we travel at home and abroad.
