Dear Praying Friends,

May 2011

I do apologize that you have not received a prayer letter from me recently. The first quarter of this year has been primarily spent in conferences. We have traveled in the South in North Carolina, South Carolina, Tennessee, Georgia, Alabama, and Florida. It has been encouraging to see the Lord bless in raising faith promise giving through His church. We have also been in Pennsylvania, Maryland, and Washington State. The Lord has been good to give us traveling mercies. Thank you so much for your continued prayers and financial support.

It was a blessing to have Abraham Ram Lian Uk from Myanmar (Burma) with us for almost two months. Darleen and I were able to have him in meetings with us for about a month, and Brother Stanley Cline had him in meetings for the same amount of time. Please pray with us that the Lord will bless the effort by providing support for his ministry in Myanmar.

The Lord continues to bless World Wide New Testament Baptist Mission with new applicants. We are blessed to see the Lord call young men into the Gospel ministry, especially when they surrender to full-time missions work. We do covet your prayers for these families as they travel many miles across the country to raise the financial support necessary to carry out their ministries.

I encourage you to follow the ministries of WWNTBM by logging on to our website (www.wwntbm.com). You will find information on our missionaries, including their prayer letters. Should you have any questions that are not answered on the website, you can contact us for further information.

Again, thank you for remembering us as you pray and give. Darleen and I are honored to have served in this missions work for twenty-six years now. Many of you have been with us from the very beginning, and words fail us when we attempt to express our gratitude. May God richly bless you for your kind care of us in our Lord's work.

In His Service,
Danny A. Whetstone
