August 2011

WORLD WIDE NEW TESTAMENT BAPTIST MISSION P.O. BOX 725 KINGS MOUNTAIN, NC 28086

This summer has been very different for us. Usually, we go overseas to visit missionaries in the summer, but the Lord simply did not lead in that direction this year. We have been able to visit a number of our supporting churches. We have not been to some of these churches in a very long time.

The Lord blessed in wonderful ways in the Family Fellowship Week of World Wide New Testament Baptist Mission. Pastor Tim Daniel and New Testament Baptist Church of Kinston, NC hosted the meeting this year. These gracious friends went beyond the extra mile to make the meeting very successful. We always meet the third Monday through Thursday in June, and we would be honored for you to drop in for those services anytime. You would be refreshed, and we would be blessed for you to get to know the mission even better.

We do have some things that you could pray with us about. The Lord willing, we will be in Europe in November. We want to visit some missionaries that we had to cancel a visit with last year. Also, in February, we will be holding another conference in Myanmar (Burma). Some preachers will go with us to preach in the conference, college, and churches. Please pray that we would be an encouragement and blessing to these faithful servants of Christ. Brother Abraham Ram Lian Uk was in the States earlier this year. If you have not taken

him on for support, please give it further consideration. Brother Abraham has been faithful in church planting. He also teaches in the Bible College, training young servants of Christ to return to their part of Myanmar to serve the Lord. Along with these duties, he also assists in translation work.

Pastor Bobby Mitchell and our daughter, Daynna, have given us our fourteenth grandchild. Danielle Grace was born July 28. I was able to visit with them for a few days, and Darleen stayed to assist Daynna for two weeks.

We covet your prayers for World Wide New Testament Baptist Mission. The Lord has been so good to allow us the opportunity to serve in this good work that the Lord birthed through the ministry of Pastor Bill Wingard. We continue to see young families surrender to the mission field, and it is a blessing to see them choose World Wide as their sending agency. General Director John O'Malley is doing a fantastic job in the day to day operation of this ministry.

Darleen and I are so grateful for your kind support of our ministry and family. We are so blessed to meet many of you that tell us you pray for us regularly. You have no idea how we are encouraged by your faithfulness.

Danny and Darleen Whetstone
