

DANNY AND DARLEEN WHETSTONE

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

January 2012

Darleen and I want to thank you for your faithful support. We realize that these are days of great concern and cutbacks. In the last three months we have heard from more churches either cutting back or dropping our support than we have seen in twenty-six years of mission work. It is imperative that we pray for each other. It is heartbreaking to see so many faithful churches having difficult times. We know it is a very difficult decision for churches to make, and we are so grateful for the many years of dedicated support from these wonderful servants of Christ.

As many of you already know, my Mom went home to be with the Lord in December. She has had health problems for a number of years and the old tabernacle of clay finally gave way to Heaven. Thank you for your prayers, emails, cards, flowers, and calls. All of you were a great blessing to us during this difficult time. My sister Kathy, and her husband Wayne, gave of themselves unselfishly to see to it that Mom was well taken care of since Dad went home to be with the Lord twenty-two years ago. Please pray for them as they adjust to her home going.

The Lord willing, I will be in Myanmar (Burma) from February 20 through March 7. We will be conducting a conference in

Yangon, and speaking at a college graduation. Thank you in advance for faithfully praying that the Lord will bless with safety in travel, easy entrance into the country, and that we will be a help to these servants of our Lord. God is still blessing the efforts of Judson after two hundred years.

In November and December, we were in Europe. Darleen and I had a blessed visit with Randall and Linda Jordan in Sicily. The Lord truly has blessed them with a good work. Brother Jordan has some men that are really interested in the Lord's work. He has one man in particular that the Lord will surely use in leadership in the days to come. The Jordan's have served in Italy for thirty years, and their ministry is being used of the Lord to make a difference.

You are a blessing. We are so grateful for your continued faithfulness. Those of you that have had to stop supporting us financially we want you to know that we appreciate all that you have done. Please do not stop supporting us with your prayers. Be assured that we will remember you before the throne of grace.

In His Service,
Danny and Darleen Whetstone
