

DANNY AND DARLEEN WHETSTONE

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

March 2012

We have been blessed to be in some wonderful missions conferences already this year. It has been amazing to see the faith and faithfulness of the Lord's people in getting the Word of the Lord to regions beyond. We have already visited North Carolina, South Carolina, Georgia, and Florida.

As many of you know, I had a hip replaced about ten years ago, and the other one has been giving me a problem for more than a year now. Well, the surgery is scheduled now for May 8, 2012. Please pray that I am able to make it that far, and that I will recover quickly, so that we can get back on the road. The last time I was back out in three weeks, but that was ten years ago!

By the time you receive this, I should be in Myanmar (Burma). We will have a conference near Yangon with many faithful servants of Christ. Please pray that we will be a blessing to them. Brother John O'Malley and Pastor Barry Goodman of Faith Baptist Church in Shelby, North Carolina will also be there for the conference. Several of you have

given to make this possible, and I am so grateful for your kindness.

There are a couple of things that are of great concern for you to pray with us about. It is getting more and more dangerous in parts of the world that have never really presented a problem before. Don't forget to pray for your missionaries that are in difficult places every day serving the Lord. Just last month, we had a missionary wife robbed at gun point in Mexico. Her van and purse were taken, but thank the Lord, she is safe. I also ask you to pray for the office of World Wide New Testament Baptist Mission. You are well aware of the financial situation around the world. Any ministry based in America is a prime candidate to lose support in these difficult times, and yet the expenses continue to rise at an alarming rate. Please pray that the office will be funded sufficiently in the days ahead.

Darleen and I appreciate so much your continues support of our ministry.

In His Service,
Danny A. Whetstone
