

DANNY AND DARLEEN WHETSTONE

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

November 2012

Darleen and I will be leaving for Jordan today, November 19th. We plan to return on December 2nd. We look forward to spending time with some of our families in that part of the world and participating in a college graduation. Please pray that the Lord will use us for His glory. Obviously, we would appreciate you praying for our safety as well.

The Lord has been so good to give us another wonderful year in His service. I suppose it goes without saying that there are always old and new challenges to overcome. However, if we pause to count our many blessings, the difficulties seem to fade away. The Lord has sustained and blessed us another year. He did that in large part through people like you. Thank you for standing with us this year. Some of you have faced great hardships. As a result, you have had to drop or cut back our support. Darleen and I want you to know that we appreciate the many years that you helped us in this ministry. We pray that the Lord will bless you with open windows from Heaven.

We already have a very busy year scheduled for next year. Most of February and March will be spent in Micronesia and Alaska. We have a number of missions conferences scheduled for 2013 as well. Join us in prayer that the Lord will bless the coming effort. Pray that He will save sinners, challenge saints, and call servants for the task that is before us.

We trust that we will take time this Thanksgiving to bare our hearts to the Lord in appreciation for His continued faithfulness. This Christmas we need to remember the birth of our Lord in a way that would honor Him and His unspeakable gift to us. Also, as we approach the New Year, may we dedicate ourselves to Him and purpose to labor at fulfilling the Great Commission, which He gave us before He ascended into Heaven.

Once again, thank you for standing by us with your prayer and financial support.

In His Service,
Danny and Darleen Whetstone
