

DANNY AND DARLEEN WHETSTONE

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

November 2017

Dear Faithful Friends,

We have been so blessed to participate in many missions conferences. It is exciting to see the Lord's people respond to mission needs around the world. It is also encouraging to meet missionary families going all over the world to share the Gospel of Christ.

Darleen and I are grateful to you for your kind support that keeps us going. We meet so many of you that remind us of your faithful prayers on our behalf. We travel from church to church every week, and the Lord has given us remarkable safety through the years. Thank you for praying.

It has been our privilege to work with World Wide New Testament Baptist Mission for many years now. We are forever blessed by the leadership through Pastor Wingard's life to see this mission born and moved forward. The Lord continues to send dedicated families to the mission, and we are honored to labor together with them. If you are looking for some remarkable missionaries to support, I encourage you to look at our website for those on deputation (www.wwntbm.com).

Please continue to pray that we would see others saved in our meetings and that the Lord will call more to the Gospel ministry. Also, pray for the WWNTBM staff at our office in Kings Mountain, NC. These faithful servants are rarely seen out front, but their labor supports everything that is out front.

In His Service,

Danny and Darleen Whetstone
