WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

October 2018

Dear Faithful Friends,

Darleen and I were in France, Germany, and Italy for five weeks in August and September. The highlight was the conference in Germany that I mentioned to you in my last letter. It was a blessing to see so many missionaries that we rarely get to spend time with. The conference was a great encouragement to all who attended.

As soon as we returned to the States, we were right back in meetings. The Lord has been so good to bless in missions conferences. We have had meetings in North Carolina, Virginia, Texas, and Georgia. We are so grateful for a measure of good health and safety in the many miles of travel. Thank you so much for praying for us.

Since we are traveling with a trailer now, we go home even less than we did before. Churches have always been good to give us a comfortable place to stay, but it is so much nicer to sleep in the same bed every night!

As always, we are so very thankful for your continued financial support. In recent months we have lost some support, but it has been offset by drawing Social Security. All those years that we were paying in made me wonder if I would ever live long enough to see it pay me, and, low and behold, I am here. My mom would laugh that I am drawing my "old age check."

Please continue to pray for us and the work of World Wide New Testament Baptist Missions.

In His Service,

Danny A. Whetstone
