WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

August 2020

Dear Pastor,

It is a major understatement to say that 2020 has been an unusual year. Darleen and I have spent most of our time traveling from one missions conference to another over the last thirty years. When we were not in conferences, we were traveling overseas. This summer, we were supposed to visit Egypt and Lebanon, but that also was canceled.

I have had a few opportunities to preach in church and online. I am also attempting to do some writing. Motivation has come from the desire to be active in ministry, and the hope to have something that will be used long into the future. Please pray with me that the Lord will use us in these uncertain days.

Our traveling schedule is to resume this month, but that will depend largely on COVID-19. We pray for wisdom as we maneuver through these days. It is not always easy to use the information given because there is an abundance of misinformation. We also pray that the Lord will provide pastors and churches with wisdom as they make decisions for their ministries.

Darleen and I want to express our deep appreciation for your continued prayers and financial support. A number of our churches have even sent in special gifts. Thank you so much for your kindness.

In His Service,
Danny and Darleen Whetstone
