

DANNY AND DARLEEN WHETSTONE

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

March 2021

Dear Pastor,

The past year has been anything but normal for churches and missions work. Our ministry primarily consists of missions conferences and overseas travel. Both of these have been canceled for the most part. At the end of August, we continued with most of our schedule in the States, but overseas travel has still been difficult to plan.

I was supposed to have my right hip replaced in December; however, the surgeon had COVID and postponed the surgery until January. By the end of January, we were traveling again. We are grateful for the opportunities we have had to be back in the churches with missionaries attempting to finish deputation. It has been a blessing to see the Lord's people continue to support mission efforts around the world.

Pastor Bill Wingard started World Wide New Testament Baptist Mission more than fifty years ago. It has been wonderful to see how the Lord has used this ministry over the years. I want to ask you to pray for Pastor Wingard. He has been very sick since Thanksgiving.

Darleen and I wish to thank you for supporting our work. We know that many of you give financially to support our ministry, others of you are faithful to pray for us, and many do both. We are constantly encouraged by your kindness. The Lord has been gracious to bless us with a measure of good health.

We are scheduled to be in Africa this summer. Please pray that we will be able to go and that the Lord will use us to be a blessing to many.

In His Service,

Danny and Darleen Whetstone
