

DANNY AND DARLEEN WHETSTONE

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

September 2021

Dear Pastor,

Darleen and I just returned from a fifty-day trip to Africa. The Lord blessed in a number of ways. We had very few physical issues, and 24 men and women made a profession of faith. I had the opportunity to preach and teach for more than 60 hours, and Darleen taught a class on Saturday and Sunday for four weeks with the ladies. It was a joy also to speak at the first graduation of students of Mentor Leaders School. Four young men and four young ladies graduated. The ladies of the village were excited that the young ladies finished high school. This is very unusual in the village.

We are now back on the road to continue with our meetings. Please pray that the Lord will bless so that we will be able to have the meetings and that He will bless with the surrender of believers and converts among the unbelievers. Darleen needs a knee replacement, but apart from that, we are doing well. Hopefully, she will be able to schedule the replacement soon.

Please continue to pray for World Wide New Testament Baptist Missions. The Lord has been so good to bless the mission with great leadership in the office and many wonderful missionary families serving around the world. If you are not presently supporting the General Fund of the mission, would you prayerfully consider doing so? As many of you know, our founder, Pastor Bill Wingard, went home to be with the Lord this year. The mission has faithfully served churches and missionaries for fifty years.

We wish to thank you for your continued prayer and financial support. We have now been in missions full-time for more than 36 years.

In His Service,

Danny and Darleen Whetstone
