

DANNY AND DARLEEN WHETSTONE

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

February 2022

Dear Pastor,

The Lord has blessed us in our meetings this year. We would love to see more people saved, and it would be encouraging to see more believers surrendering to serve our Lord. However, we are grateful to see good attendance in missions conferences. Commitments to faith promise seem to be on the increase. Please pray that the Lord will do a mighty work in our churches.

We covet your prayers on behalf of my sister, Kathy Richardson. She has stage four cancer and is having some very difficult days. She is a believer. We will be taking some time off the road to spend a few days with Kathy.

Words cannot express our gratitude for those of you that pray for us. Many of you have supported our ministry financially for many years. We do not take your kindness for granted. It is our sincere desire to serve the Lord as He gives us life and health to do so. It is a joy to work with you to take the gospel to the world.

Darleen continues to recover from her knee replacement. Thank you for your concern and prayers. It has been a delight to serve with her for these many years.

We have a full schedule this year, and we hope you will pray that the Lord will give us safe travels.

In His Service,

Danny and Darleen Whetstone
