WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

May 2022

Dear Pastor,

Darleen and I have been back to a full schedule for some time now, and it has been a blessing. The Lord has blessed the missions conferences. Attendance and faith promise giving have been a great encouragement at these conferences.

We moved our annual "Family Fellowship Week" for World Wide New Testament Baptist Mission from June to April this year. We rented a camp for the meeting, and it was such a blessing. The teaching, preaching, and testimonies could not have been better. We had around one hundred and fifty in attendance. Pray with us that the Lord of the harvest will call many others and that they will surrender themselves to serve in regions beyond.

Many of you have prayed for my sister, Kathy Richardson. She is fighting cancer vigorously. Unfortunately, surgery has been postponed for two months because of blood clots. Please continue to pray fervently for her.

We plan to visit five World Wide missionaries this summer that are planting churches in the western part of the United States. We would appreciate you praying that the Lord will give us traveling mercies and that we would be an encouragement to these faithful servants.

Thank you for praying and giving to make our ministry possible. This June, we will have served with the mission for thirty-seven years. Many of you have been with us for the entire journey. Please know that we appreciate your investment in our lives.

In His Service,

Danny and Darleen Whetstone
