WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

**November 2022**

Dear Pastor,

Darleen and I were blessed to be in several missions conferences and a few revival meetings. It is always good to be in the presence of God's people and to see their faithfulness to the Lord. One thing that stands out to me is the unwavering commitment to faith promise missions. Our Lord is still calling missionaries for home and abroad, and the churches are rising to meet the needs of these missionary families.

We are thankful for the safety that we have experienced while traveling. The roads have never been so full of travelers. We are constantly passing those that have had the misfortune of an accident, and we are careful to thank the Lord for His protective hand on us.

Please pray for our family. My sister, Kathy Richardson, passed away on November 2, 2022. I want to thank many of you that prayed for her during her valiant fight against cancer.

We wish to thank each of you for your continued faithfulness in supporting our family and ministry. You mean so much to us.

In His Service,

Danny and Darleen Whetstone
