

## DANNY AND DARLEEN WHETSTONE

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

**April 2024**

Dear Pastor,

Darleen and I have had a very good start in first quarter of this year. The missions conferences have been well attended, and faith promise commitments have been a blessing. It seems as though for many years we had little money, but many missionaries. Now it looks as though we have plenty of financing, but very few laborers. We must indeed pray that the Lord will send laborers to go worldwide with the gospel of Christ.

Please pray for Missionary Elwood Hurst and his family. His wife, Mrs. Doris Hurst, went to be with the Lord on April 5, 2024. They served the Lord for more than forty years in Micronesia.

We will be attending the World Wide Family Week by the time you receive this letter. This is my favorite week of the year in ministry. Many of the families associated with the mission will be together for four days. It will be wonderful services, great food, and good fellowship with people that we work with but rarely see.

It is our great pleasure to labor together with you. Darleen and I appreciate so much that many of you pray for us on a regular basis and support us so that we can continue with our work. May I ask you to take it a step further? Please be faithful in supporting the work of your local church in reaching the lost for Christ.

In His Service,  
Danny and Darleen Whetstone
