

DANNY AND DARLEEN WHETSTONE

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

June 2024

Dear Pastor,

Darleen and I have truly been blessed in our travels and meetings recently. Thank you for praying for us. Traveling the highways is far more stressful than it used to be.

It has been very encouraging to see churches responding to the need of missions by committing themselves to support missionaries willing to take the gospel to places all over the world. I have often said that it takes more than missionaries to fulfill the great commission. It is always a blessing when churches labor with the same commitment that we ask of our missionaries.

We have made a trip to Alaska. Primarily to take some time off from our busy schedule. However, we were blessed to attend Sunday services with Ernie and Nancy Wyrick in Delta Junction, Alaska. We were blessed to hear a wonderful Sunday School lesson, and a message in the morning service in which a teenage boy trusted Christ. Brother Wyrick is having some health issues that have not yet been diagnosed. Please remember him as you pray.

We wish to thank you once again for your unwavering faithfulness in supporting our ministry, and praying for us as we continue to serve the Lord. With every passing year we stand in greater need of our Lord's strength.

Please pray for World Wide New Testament Baptist Mission. Pray that the Lord will continue to use this ministry, pray for our leadership, staff, and missionaries. To learn more about us please visit www.wwntbm.com.

In His Service,
Danny and Darleen Whetstone
