

CHRIST IS BORN

December 2025

Dear Pastor,

Darleen and I wish to thank you for your faithfulness in supporting us through 2025. We were blessed by many wonderful missions conferences over the past year. It has been encouraging to see the response of the Lord's people in giving so the gospel can reach the regions beyond. Please pray with us in the coming year that our Lord will send forth laborers into His harvest.

We had a great time last summer visiting Africa for two months. The Lord willing, we will be back in Africa from mid-May to mid-July of 2026. Part of the trip has already been purchased, and we are working on completing the arrangements. It could be that we will make another trip at the end of 2026. Pray that the Lord will give wisdom concerning the material to be taught.

We rejoice that the Lord has given us the health to move forward. Only He knows the number of our days, but we want to make those days count for His glory, and we want to be helpful to as many people as possible.

Before we return to Africa, we have a very full schedule of meetings for the first quarter of the year. Pray that the Lord will use us in every service and that He will continue to give us His mercy as we travel.

We pray sincerely that each of you will enjoy a blessed Christmas and a New Year that is fixed on His will and purpose for your life.

In His Service,

Danny and Darleen Whetstone
