*"I will extol thee, my God, O king; and I will bless thy name for ever and ever. Every day will I bless thee; and I will praise thy name for ever and ever." Psalm 145:1-2*

## Easter Sunday

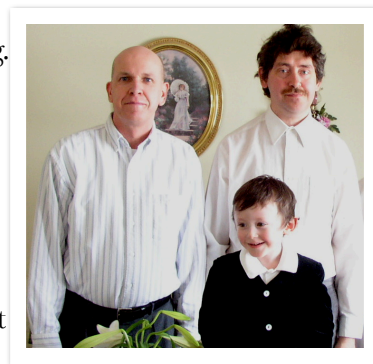

*We thank the Lord for the new family that has been coming to our services, Vitaly and his wife, Svetlana and their four children. It was a special blessing that they joined us on Easter Sunday for both services.*

We praise the Lord for all that He is doing.

The Timoshenko family have been coming since March and have missed only one service since they started. We have also had several visitors. One of them attends the First Baptist Church here in town, but visits when they do not have a service. When she does not

attend, Regina gives her a copy of the lesson or message which she shares with her husband who is not able to get out much because of his health. We thank the Lord for His faithfulness and for the privilege we have to serve Him.

Nancy and I want to thank each of you for your faithfulness to pray for us and for the support that gives us the opportunity to spread God's Word to the lost here in Delta Junction and other parts of the interior of Alaska. We truly appreciate all of you. We would like for you to pray especially for two requests that we have. I have been diagnosed with (IBS) Irritable Bowel Syndrome. We praise the Lord that it is not some of the other things that they were thinking that it might be. One other item that we need prayer about is that the

motor in our truck finally died. It only had about 166,000 miles on it,

but it died. Our truck is in the shop now waiting for a new motor. We are trusting the Lord to supply the funds to get it repaired and to help pay for the car that we have had to rent so that we can get around. After having our truck for so long, it is difficult to adjust to riding in this little "toy" car, especially when we see a moose on the side of the road that is bigger than the car. We thank the Lord everyday for that big truck. Please help pray for these things and that God will get the glory out of it all.

Your missionaries,

*Eric + Nancy Wyrick*
