

The Wyrick Update

Greetings from Delta Junction Alaska,

The Lord has been so good. The LORD *is* good, a strong hold in the day of trouble; and he knoweth them that trust in him. Nahum 1:7

We thank the Lord for His safety and blessings. Over the past few months, the Lord has given us many opportunities to share His Word with several new contacts. We pray that the door will stay open and that these individuals will be saved. We gave Gospel CD's to others that have been given tracts and New Testaments in the past. Due to some tragedies that have taken place here in Delta Junction this winter, it seems that people's hearts are more open than they have been.

We have had several house fires here in the community this winter. One of the fires was at the home of a friend of ours to whom I have witnessed several times. We have had the opportunity not only to witness to him again, but through this tragedy, we have been given opportunities to show the love of God to others here in the community. Another fire that we had here in the community resulted in the home owner losing his life. We have shared God's Word with his family that live out of state. It has also opened more doors here in town to witness to the people that helped fight the fire.

When God opens a door, we try to be sensitive to His leading and to share His Word even if it is only by giving them a tract or a Gospel CD. Some of these people go to other churches but do not have a clear testimony of salvation. We pray that the seed will be planted and that they will see their spiritual need. We praise the Lord for these opportunities. Will you please pray with us that all of these to whom we have witnessed will be saved?

We praise the Lord for all of you that pray for us and give to this ministry. With your help we have these opportunities to share God's Word with those that are lost. We truly appreciate you all and know that God will bless you for your faithfulness. Continue to keep Sophia and Regina in prayer, as well as the other Russians here in Delta to whom we have been ministering. Sophia has been sick with the flu, and Regina is visiting family in the lower 48. Remember the Fred and Victor Malyk families in prayer also. We are sending some Bibles to Fred's daughter in Missouri. The Victor Malyk family has had some problems recently and are in need of much prayer. Continue to keep Peter and his family in prayer that God will bring that family back together. Pray for their salvation as well.
