Dear Praying Friends,

Greetings from Delta Junction, Alaska. We praise the Lord for His goodness and faithfulness. We have much for which to be thankful. We have seen one soul saved and praise the Lord for what He has done. The Fire Chief has been attending the Bible study at the fire station faithfully for more than a year. He has made a profession of faith and has asked Christ into his heart. The other Sunday he gave a testimony of salvation. I ran into a friend of mine last week who said that the Fire Chief had also shared with him how he had been saved as result of the Bible study. Please keep the Chief in your prayers that God will help him to grow and that he will be a witness to his family. He is visiting family back east as I write this letter. They have already been asking him questions about why he is reading his Bible and going to Bible studies. Help us pray that God will give him boldness.

A firefighter who recently moved here from Texas has been asking questions about our ministry here in Delta. Please pray with us that God would give us the opportunity to be a witness to him and his family that they will be saved. It is our prayer that more will begin to attend the Bible Study at the fire station. When we invite others to visit, they give many excuses for why they cannot come. We continue to pray for them that God will open their hearts to their need of salvation.

We praise the Lord that two of Regina's brothers visited our services last month while they were in town for work and were staying with Regina. We praise the Lord for the opportunity and pray that if they are not truly saved that God will open their eyes to see their need for salvation. We have seen Peter several times over the past few months. He and his family may be spending the winter here in Delta. Please pray with us for the spiritual and physical needs of this family.

We ask that you help us pray for these that we have had contact with the last few months that God will strengthen the saved and open the eyes of those that are lost. We praise the Lord for all of you that so faithfully pray for the work and support it financially. We are truly grateful for each of you. Please continue to keep us in your prayers that we will be found faithful and that God will be glorified in all that we do.

Your missionaries,
