CARRYING THE GOSPEL TO DELTA JUNCTION, ALASKA

Greetings in our wonderful Savior's name. We praise the Lord for His goodness and mercy as we traveled on furlough. We thank Him for the many opportunities that we had to share God's Word as well as to tell about the work here in Delta Junction. We also appreciate all the prayers for my family during the passing of my father.

It is wonderful to be back on the field to which God has called us. Since our return, a Russian lady that we have known for a while has visited our services. Her husband passed away while we were out on furlough and she has shown more interest than in the past. Pray with us that she will continue to come and that we will be a help and an encouragement to her.

We have had the opportunity to minister to several new people as well. Carl moved to Delta in March and we have been inviting him to the services and witnessing to him. Pray that God will open his heart that he will be saved soon. Ilya works at the post office and I have become better acquainted with him. I have also had the opportunity to witness to his brother, Mike. We are praying that God will open his and Ilya's heart and that I will also have the opportunity to witness to his other brothers. What a joy it would be to see them and their families saved. Please pray for these and their spiritual needs. Pray also for us that we will be found faithful and that we will glorify God in all that we do.

We praise the Lord for His many blessings and the privilege to serve Him. We appreciate all of you so much. We regret that we did not get to see everyone while we were on furlough but please know that we thank the Lord for you all and appreciate your prayers and financial support so much.

In His service,

Eric + Nancy Wyrick
