the WYRICKS IN Alaska

CARRYING THE GOSPEL TO DELTA JUNCTION, ALASKA

Hello from the land of the midnight sun. Winter has gone and summer has finally come. We skipped spring totally and went right into summer. We had snow on May 13 and less than two weeks later the temperatures were in the 70's and we have had wildland fires ever since.

This time of year gives me an opportunity to pass out tracts and New Testaments to firefighters that come through the area. One such man named Marshall took one of the KJV Outdoor New Testaments. I had a very short time to talk with him, but I pray that God will open his eyes to help him see that he needs Christ. I also gave one to a man that we met while we were down at Chitina dip-netting for our supply of salmon. Recently I had the truck in the shop getting the tires rotated. The man had trouble getting the hub caps back on our 1-ton truck. He asked me to help. While we worked, the Lord gave me the opportunity to talk with him and he accepted a tract. These are just a few of the people that God has brought our way and given us opportunities to share the Gospel. Please help us pray for these and the many others that we have mentioned in the past that need to be saved.

We were able to go down to Kenny Lake, Alaska and preach for Brother Russ Posey, a Pastor friend of ours and also with whom we were privileged to serve in Russia as missionaries. We were able to spend some time with his family and church family also. We had a wonderful time of worship and fellowship and were blessed to see some old friends as well.

Nancy had the privilege to take part in the Kindergarten Graduation at Hamilton Acres Baptist School in Fairbanks on May 13. She sang the verses to Cherish The Moment, by Ron Hamilton and the children sang the chorus. We praise the Lord for the opportunities the Lord gives us to serve Him.

I ask that you keep Nancy in your prayers as she has been having an irregular heartbeat and high blood pressure issues. She has several doctor appointments coming up in the next few weeks. Pray that the Lord's will be done and that He will give the doctors wisdom.

We appreciate your prayers and support. Please continue to pray for us and the people to whom we minister.

In His service,

*Eric + Nancy Wyrick*
