

WYRICK UPDATE

From Delta Junction, Alaska

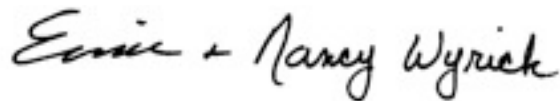

February 19, 2013

Dear Pastors and Friends,

After consulting with our Pastor, we have made the decision to take emergency leave from the field. Nancy's parents' health has drastically failed in recent weeks. There is no one else in her family who can look after these matters.

Lord willing, we will fly out of Alaska on Tuesday, February 26 and arrive in North Carolina on February 27. We will update you in the coming weeks. We appreciate your prayers for Mr. and Mrs. Scroggs. Please also pray for our safety, wisdom and strength as we seek to honor her parents in this hour of need.

In Christ,
