Dear Pastor and Friends,

Nancy and I thank you for your prayers for Nancy's mom and dad. Her dad is doing much better. We praise the Lord for His wonderful grace and healing. As many of you know, we came to North Carolina at the end of February due to her dad's health needs. We are still in North Carolina and are helping them prepare for their move to a retirement/assisted living community in Elon, N.C. They are next on the list and could soon receive the phone call to move. Please pray that the house will sell soon, but in God's timing - not ours, so that we may return to the field as soon as possible. Pray also that the transition for them will go smoothly and that God will use them at this retirement community for His honor and glory. We praise the Lord for the many who helped them before we arrived, and continue to support them as they make this transition.

The ministry in Delta continues and we praise the Lord for the many there that have stepped up to see that the work continues. We praise the Lord for the faithfulness of His people. There are two men who drive 200 miles round trip to preach on Sundays. One of the men in the church is teaching in the Wednesday evening service. Please continue to keep the people there in your prayers, as well as for the safety of those who travel back and forth to preach on Sundays. I ask that you especially keep in your prayers one of our shut-ins that we visited daily. She has developed some serious health issues and is now in an assisted living center. We try to call her every day to encourage her. Often she is more of an encouragement to us instead. Several of our friends or contacts in Delta have had either sickness or an accident affect their lives recently. We pray that God will use this time to open their eyes to see their need of salvation.

We thank you all for your prayers and support as well as the many words of encouragement and understanding as we honor and support Nancy's parents.

Your Missionaries,

*Ernie + Nancy Wyrick*
