

The Wyricks Update

July 04, 2017

Nancy and I praise the Lord for His goodness and mercy. We praise the Lord for your faithful prayers and support for the work in Delta Junction, Alaska. The Lord has blessed us greatly with faithful prayer warriors and gracious supporters. We are truly thankful for all of you. "Sing praises to God, sing praises: sing praises unto our King, sing praises." Psalm 47:6 (KJV)

Greetings from North Carolina,

As you know we have been in the lower 48 since the beginning of May for a short furlough visiting a few of our supporting churches. But we have spent most of our time visiting and sharing the work in Alaska with new churches. We are needing some additional support. As you all know, the cost of living has increased greatly.

We praise the Lord for all the new Pastors and individuals we have met these past several months and praise Him for the new support. Most of all we are thankful for all those who have committed to pray for us and the work in Alaska. We pray that, if it be the Lord's will, the additional support will come in before we return to Alaska on August 25. It has been a blessing to make new friends as well as to see many old friends we have not seen in many years.

We have more meetings coming up and ask that you pray that we will be a help and a blessing to each church we visit and that God will be glorified in all that is said and done. We praise the Lord for His safety as we have been traveling and also for the safety during a lot of storms that have been in the area.

Please continue to keep those in Delta Junction in prayer. A lot has been happening since we left Delta. Some have had deaths in their families and many have faced physical needs in their own lives and their family members. We continue to keep in touch with many there in Delta to pray with them and encourage them in the Lord. We know that the Lord is in control of it all and that He makes no mistakes. He can give them comfort and peace that the world cannot give.

Nancy and I are thankful for the opportunities the Lord has given us to share about the things He has done and is doing in our lives and in the lives of those in Alaska. Please continue to keep us and the work in Alaska in prayer.

Eric + Nancy Wyrick
