

“Bless the LORD, O my soul: and all that is within me, bless his holy name. Bless the LORD, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases; Who redeemeth thy life from destruction; who crowneth thee with lovingkindness and tender mercies;” Psalm 103:1-4

Greetings to all of you from the Interior of Alaska. Nancy and I returned to Delta Junction on August 26 about 4:30 AM after a four-month furlough. We praise the Lord for all His goodness and blessings and safety as we traveled. From May 2nd to August 24th we drove over 10,343 miles. We praise the Lord for all the new churches that we were able to visit and we are truly thankful to the Lord for the new support. We are praying that if it is the Lord’s will, many of the other new churches that we visited will become supporters of the work here in Delta Junction. We praise the Lord for all that we were able to meet. Although some were unable to take us on for support at this time, they promised to faithfully pray for us, for which we are so grateful and blessed. It was also a blessing to see several of our supporting pastors and church families. We regret we were unable to see all of you who so faithfully support us, but please know that we are truly thankful for your faithful prayers and support.

This furlough was a real blessing and encouragement to us as we were with so many of God’s faithful pastors and church families. Their faithfulness to serve God no matter what has come their way was a blessing. Another blessing for us was being able to spend time with our family. It was hard to leave them. But knowing that we have family that knows the Lord and loves Him made the leaving a little easier. It is a blessing to have family that not only understands why we do what we do, but have been supportive of us from day one.

When we arrived home we hit the ground running and have been getting back in touch with everyone that we have not seen in four months to see if the door of ministry with them is still open. Recently we met a man named Jonathan who moved to Delta Junction from Los Angeles, CA this summer. He is receptive and accepted a New Testament and Gospel tract. We are praying to soon start a one-on-one Bible Study with him. I first met him while helping Michael at his new property. The morning devotions at the clinic continue but due to their busy schedule, we have not resumed the Thursday Bible studies yet. But we have been able to minister to several staff members one-on-one.

We are so thankful for all of you and for your faithful prayers and support. Please continue to pray for us. Also, please pray for the clinic ministry, the services at the Quality Care Center and the many other ministries and individuals that we are privileged to serve.

Your missionaries,

*Ernie + Nancy Wyrick*
