Training Nationals to serve Him

Dear Praying Partners,

We are now into a new semester and next week will have a Missions Conference that will present 7 graduates as the conference speakers and their wives many of which also graduated from CBBC. It very exciting to see how they have put their shoulders to the plow and are laboring in God's harvest field. They represent 7 mission fields and are doing a great Job.

Recently I did have cataract surgery and it was very successful, Praise the Lord! I now have 20/20 vision in that eye and am able to drive at night again. Opal is once again teaching 3rd grade, junior high, and high school art and taking care of the Library for both Calvary Christian School and Calvary Baptist Bible College. I am teaching ESL, Remedial English, English 102, and OT Hebrew in the college.

Feliciano and David are ESL students from Bolivia
