We just finished another school year and graduated three with a Bachelors degree and two with a Masters degree. One of those getting a B.A. is Paul Yanruw from Yap, F.M. He had come to the USA to get a degree in accounting but God had other plans for him. Six and a half years ago our son Paul led him to the Lord in Greenville S.C. and Paul Y. was baptized a few days later and then God called him to preach. Since I was teaching at Calvary Baptist Bible College our son naturally recommended this school to Paul Y. Who then came to P.R. 2nd semester to start his training. Now he is planning to go back to Yap and work with our son to help him in the ministry there. Paul Y. speaks both Yapese and outer islander languages. It is exiting to see how God works, as our son has been trying to reach to the outer islands of Yap. Also Paul Y. met his wife to be here at school. She is from the island of St. Vincent and wants to serve with Paul Y. in Yap. her second major was sign language and there are some deaf people in Colonia, Yap. Our son Paul surprised Paul Y. by coming to Puerto Rico, preaching the commencement and giving a powerful missions challenge.

We now have graduated 90 some young people from over 25 countries who have either gone back to their countries or gone to serve in other mission fields. Praise the Lord!!

Next year Lord willing I'll be teaching Baptist History and Polity, two sections of English as a Second Language, Remedial English, 2nd year Greek, and 1st Year Hebrew. Opal is still the school librarian and teaches art 6th through 12th grades.

Praise the Lord for good health and strength that He gives to go on!!

In His Service

Georg and Opal Zimmer
