

Dear Praying Friends,

This is an update on our life and ministry.

During our trip to Africa, to visit our daughter and son in law, Nathan and Rachel Washer, I was able to preach a couple of times at Faith Baptist church in Garneton, and also to rewire their house for them. We then went to Nassau, Bahamas, with Pastor Dave Adams, of the New Testament Baptist Church. Georg taught a two week crash course of Baptist History, and Opal spoke to the ladies on both Wednesday nights, and taught art every day at the high school. It was a blessed time, and we are thankful for the opportunity we had to serve there.

This February we will be in the Dominican Republic to minister with Pastor Ariel Alfonso, graduate of Calvary Baptist in Puerto Rico. I will be teaching Baptist History once again. I have had my notes translated into Spanish, which will make it easier for the students. I will have an interpreter for the classes also. When the students' work is completed, they will be able to get credit at Calvary Baptist Bible College in Puerto Rico, if they wish to continue their education there.

In the middle of April we have a tentative schedule to go Granada and then back to Puerto Rico to teach summer school.

Between ministry trips, we are here in Traverse City, Michigan, where we have relatives. I have been installing a heating system in the basement of our house, preparing it for the big family reunion that we will have this summer with all nine of our children and their families, fifty seven in all! Five of our children who are mission families will be on furlough at the same time, for the first time. We will have a great get together Fourth of July week to which we are looking forward.

We have been attending Victory Baptist Church here in the area, and also plan to visit some our supporting churches this spring.

The Lord is good, and we trust Him to use us for His glory.

Praising Him
