

Dear Praying Partners,

Update on our last teaching trip to Hermosillo, Mexico. We landed Saturday (March 21st) after noon and I was ask to preach Sunday Night at Iglesia Bautista Emanuel Fundamental Independente with Dan Wokaty interpreting (Dan is our Son in Law so this was a special trip for us); Tuesday I taught two classes: Bible Manners and Customs (showed slides of Israel relating to Bible Manners and Customs) and a 2nd Timothy Class (teaching about the importance of II Tim 3: 16 and a proper understanding of the Doctrine of Inspiration); Wednesday, I spoke to a Pastors prayer breakfast and a Missions class; Thursday four classes, one of which is an ESL class of jr. highers (gave my testimony with questions for 1 1/2 hours) and preached in Chapel with some questions about Puerto Rico missions (Dan interpreting again) at Ebenezer Practica Institute.

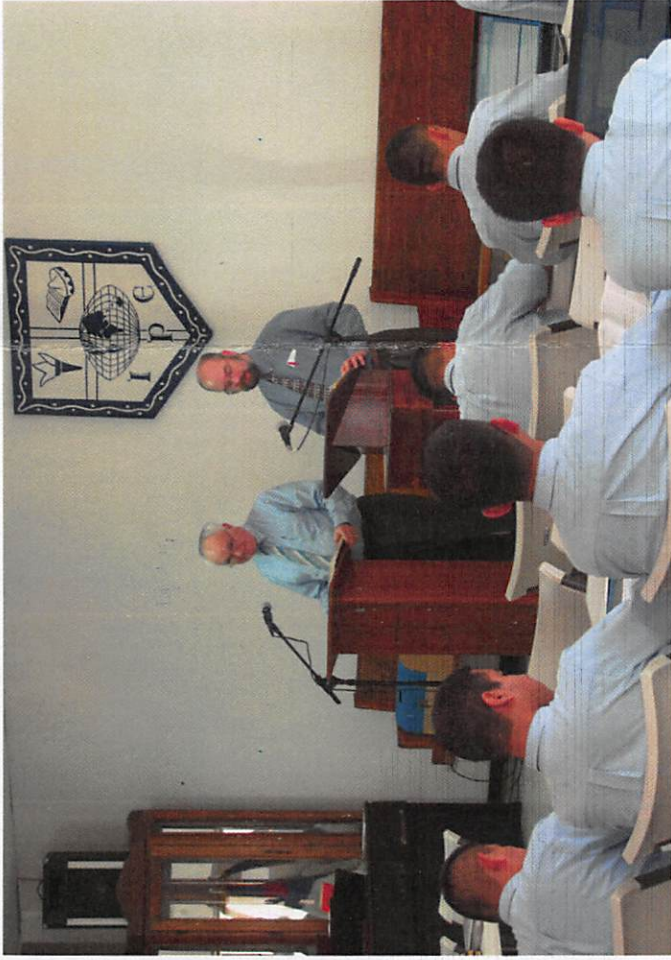

It was a whirlwind two week trip and it was nice and warm down there 95 Degrees during the day. The 2nd week was spring break and the family went to the golf of Cortez for a day of fishing and relaxing at the beach, an hour and a half drive from Hermosillo. The following Sunday we visited another local Baptist church and a grandmother mentioned that her grandson was in the ESL class and liked my testimony. It was a blessing to hear that and to be part of Dan and Opal's ministry for those days.

In June we are looking forward to being at World Wide New Testament Baptist Mission's family week in North Carolina. I'm sure it will be blessing to be encouraged by good preaching and lots of fellowship. It is always a blessing to meet fellow and new missionaries and to share experiences and stories.

I Thes 5: 25 "Brethren, pray for us."
