

Dear Praying Partners,

July 22, 2016

Last April we were able to visit our Son John and family at the Island of Palau. Our purpose was to bring and install a water filtration system because the Island was in a severe draught. I was able to get most of the parts locally in Michigan but the Ultra Violet Anti Virus/ Bacteria/ Ameba, had to come from Texas. It is a five stage system and works very well (99.93 % efficient). UV kills 100% of bio matter. Many Palauan people were being admitted to the hospital because of the infected water. The water was being turned off and on daily for only two hours per day. John is sharing the water with his church people. They are very appreciative.

Opal spoke to the ladies and I was able to preach Sunday morning and two Thursdays at the Jail. The first time I shared my testimony and the second I taught them about Jesus being the Jehovah of the Old Testament, since a Jehovah Witness had been confusing them on Saturdays. After a two hour session one of the inmates gave me a New World Translation Bible saying "We are not having a barbeque Saturday, so I won't be needing this anymore to start the fire."

While in Palau I was also able to repair his Solar Power System that had been broken for over a year.

Then in May we were asked to come to Puerto Rico to teach summer school (Hermeneutics) 7:30 AM to 12:30 PM. In the afternoon I was able to finish an inline water heater project I had started at the Prophets Chamber before we left the Island. It was nice to renew friends there. Mr. and Mrs. Ruiz treated us to a wonderful tasty local meal of rice and beans on landing there. A Missionary Pilot from Dominica allowed us to use his car while we were there. It needed a Battery because of sitting for four months with a door ajar so we fixed it.

I am also having my Hermeneutics Syllabus translated into Spanish in order to teach that course in the Dominican Republic next trip Lord willing.

Thank you for your prayers and support, and we praise the Lord for the opportunity we have to serve Him.

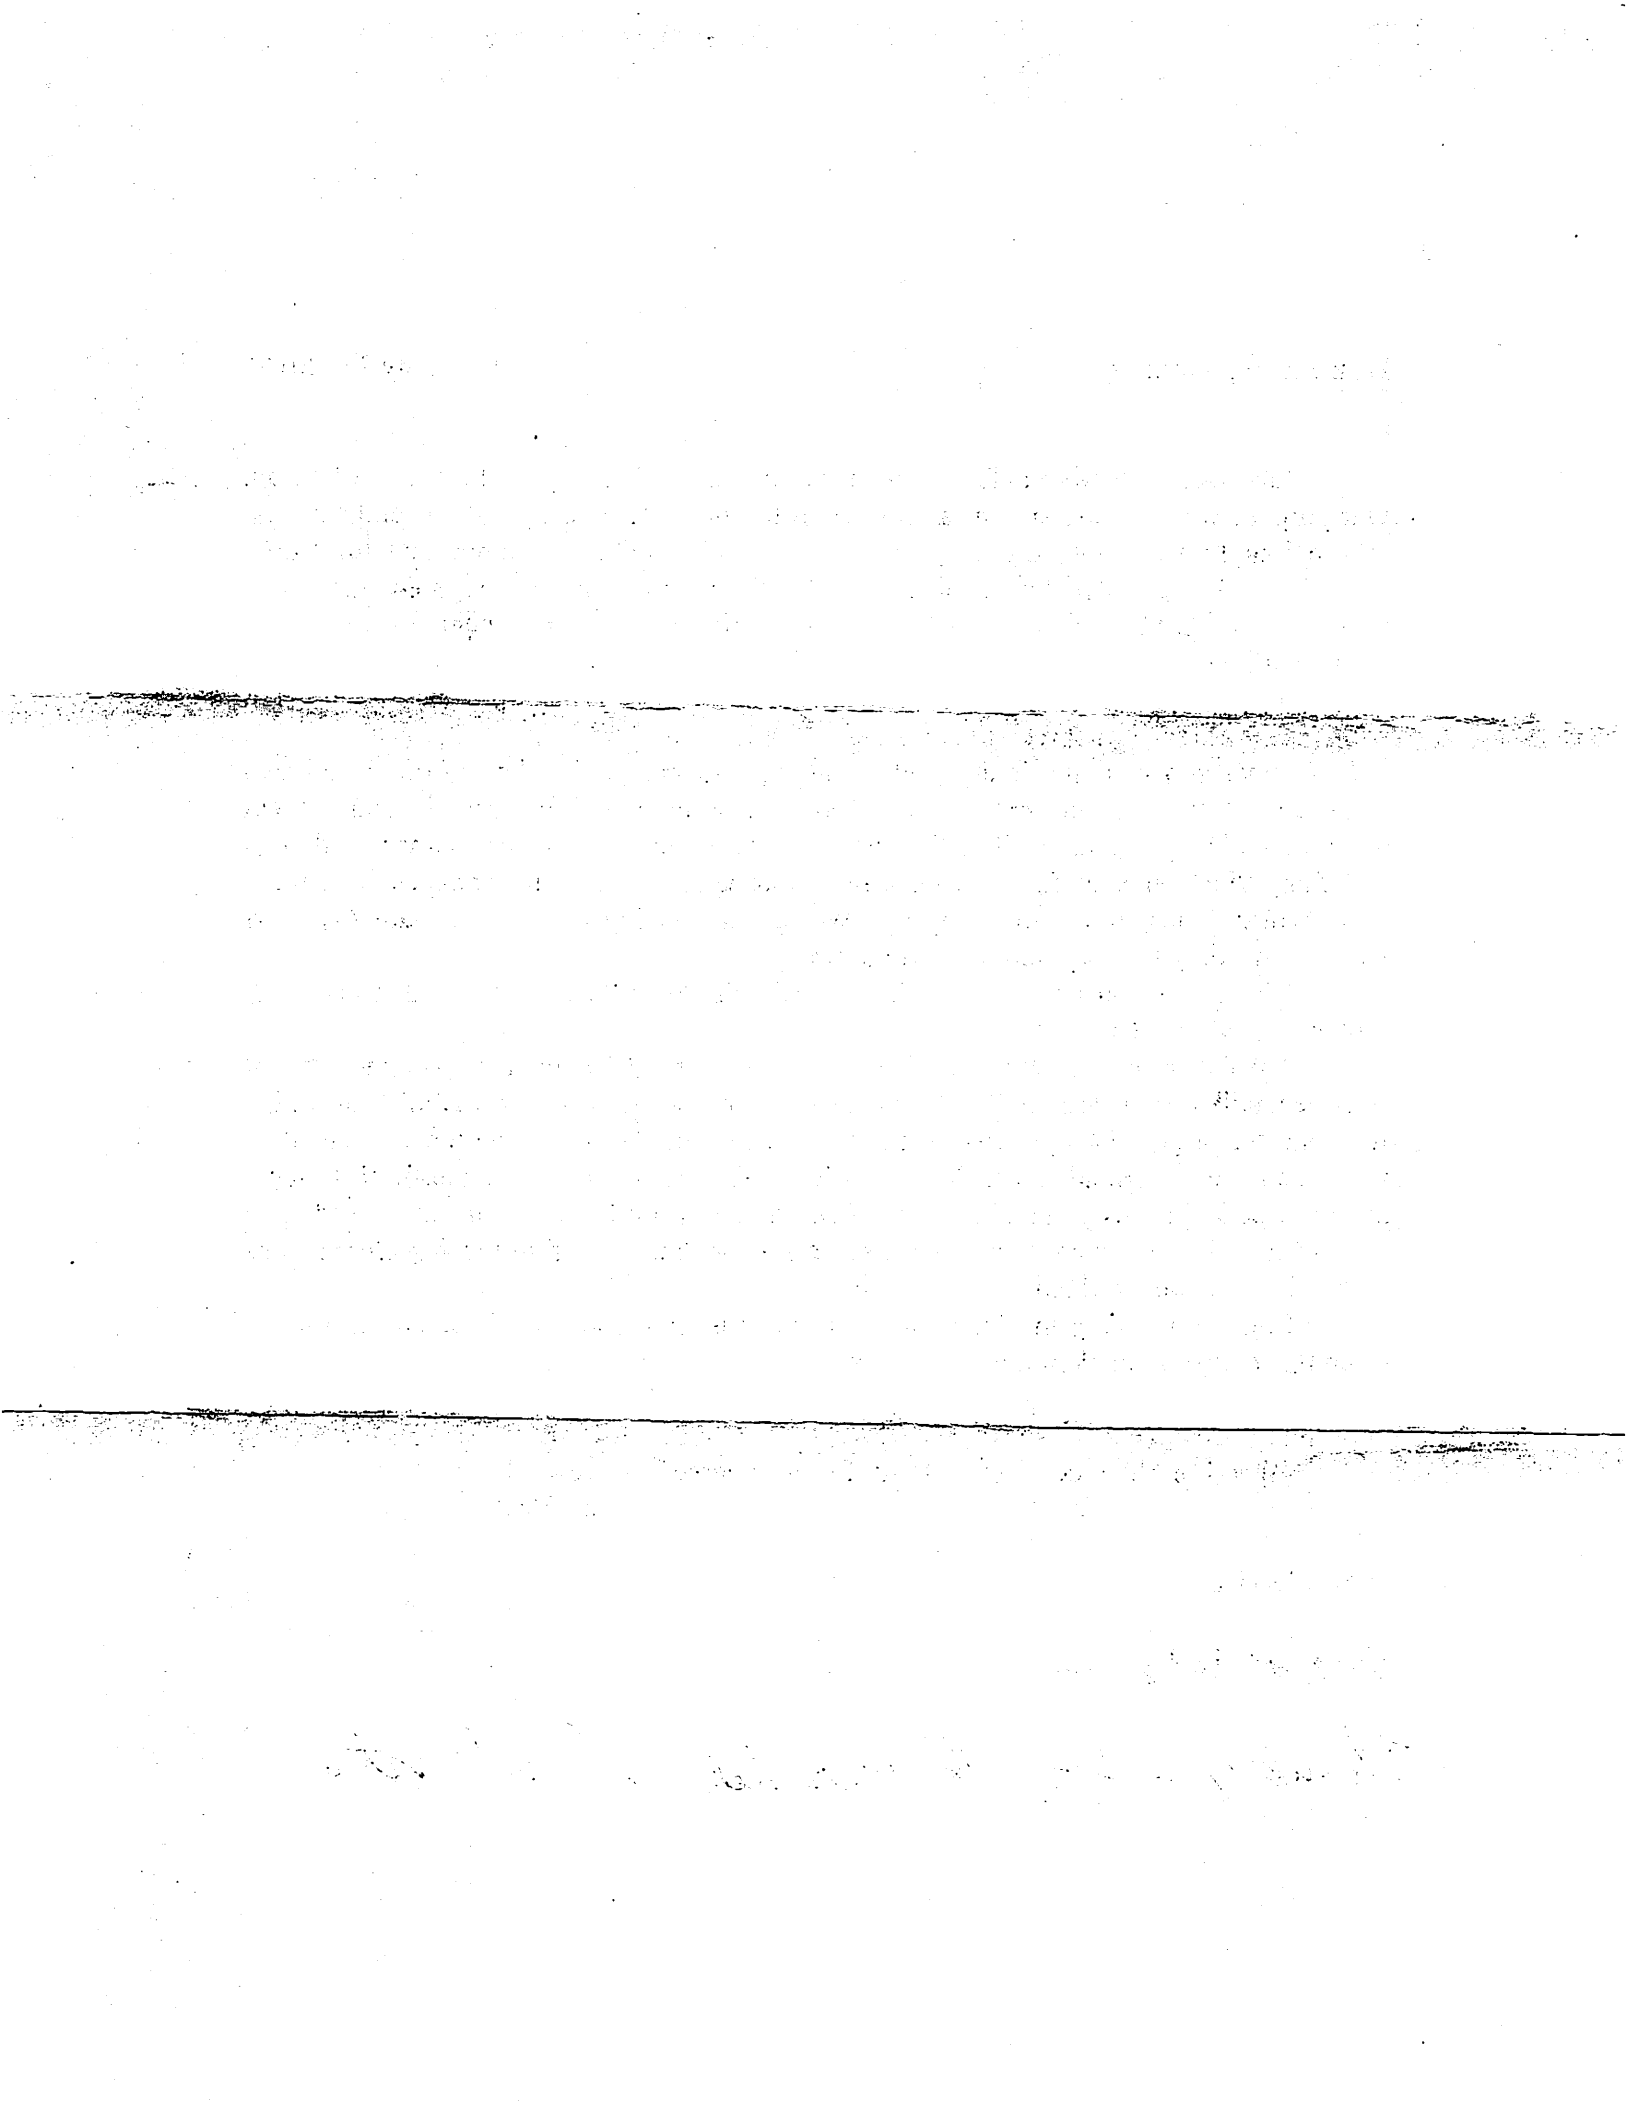

"The Lord hath done great things for us; whereof we are glad".

Psa 126: 3

In His Service

*Georg and Opal Zimmer*

*Thank you for all your help and interest.*

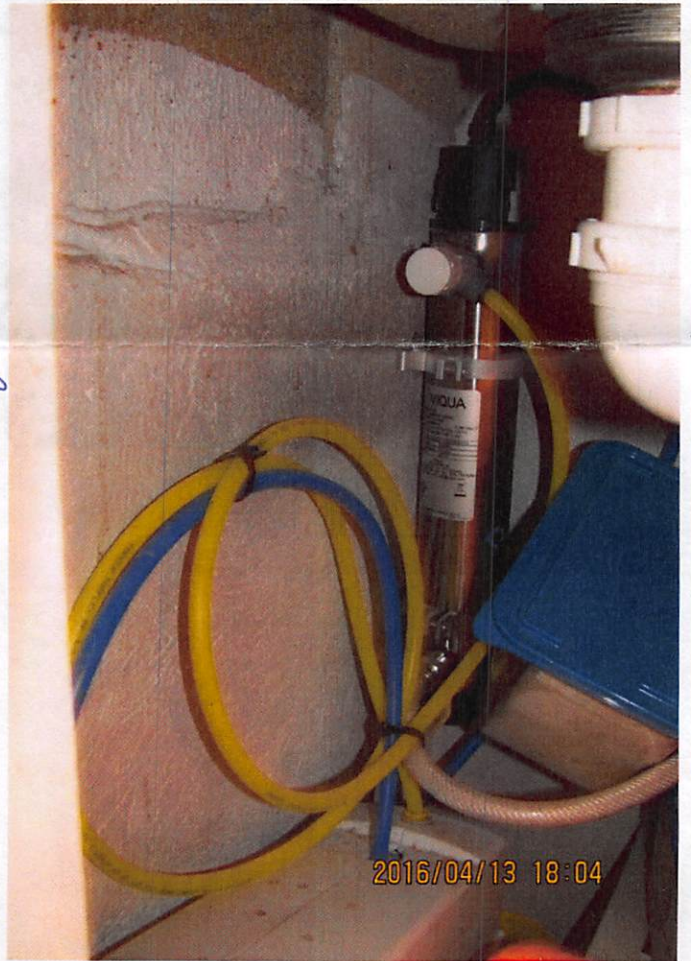

Whole house prefilters

Rain water tank and pump

UV and 2 Stage water filter 10 and 15 microns

Solar hot water heater

PR Summer School
